PROJECT SUMMARY	1	i
TABLE OF CONTENTS	1	ii
PROJECT DESCRIPTION	15	1
I. Objectives & Significance of Career Plan	2	1
II. Research Plan	11	2
A. Background & Objectives	2	2
B. Preliminary Results & Prior Research Accomplishments	2	4
C. Measurement of Interactions in Interfacial Colloidal Systems	2	6
D. Simulation and Analysis of Interfacial Colloidal Systems	1	8
E. Manipulation of Colloidal Interactions using Polymeric Forces	1	9
F. Manipulation of Self Assembly on Physicochemical Templates	1	10
G. Manipulation of Driven Assembly using Applied Fields	1	11
III. Education Plan	4	12
A. Background & Objectives	1	12
B. Preliminary Results & Prior Education Accomplishments	1	13
C. Visualization in a Colloids Complex Fluids/Nanotechnology Course	1	13
D. Visualization in Outreach and Dissemination	1	14
E. Scholarly Evaluation of Visualization Tools	1	15
F. Synergy of Integrated Research & Education Plans	1	15
